### **I**

#### **Judicial Mind: A transcendental state**

1. Judicial mind is a transcendental state. Infact it is a self referral transcendental state.
2. Virtues of the state are that the judicial mind can be transcendently self referral for its own ‘potentialities values’.
3. No external evaluation can really match the self evaluation report.
4. As such, the self revaluation report as the pre-condition for being considered as a judge, is going to serve in a big way.

### **II**

#### **To appreciate and imbibe the values of self evaluation reports**

5. The selectors job, that way would essentially come to be to appreciate and imbibe the values of self evaluation reports of the potential judicial mind.

6. For this solemn exercise, at times, the intimate interactions may be of great help as the authors of the self evaluation reports can add values for appreciation of the self evaluation reports
7. It is the values projections spectrums emerging during the self evaluation reports appreciations interactions, which also shall be helpful for both sides to reach at the values index.

### **III Values Index**

8. Ultimately it is the values index of the perspective judicial minds which is to prove decisive for bestowing responsibilities for being the judges of the sovereign courts.
9. The responsibilities of the sovereign courts to be the sovereign guards for the Life and Rights of the citizens, as such are going to be the touchstones for the values index of the judges.
10. As such, every judge is to be ever remain transcendently conscious about one's value index and the movements one realizes as that one cannot go by the value index than one shall get relieved of the sovereign responsibilities.

### **IV Justice is not only to be done but also is to be seemed to be done**

11. As justice is not only to be done but also is to be seemed to be done, so the self evaluation report of judicial minds to be entrusted the responsibilities of the sovereign courts shall remain within public domain as well so that the truthfulness of the reports have vibrantly blissful acceptance by the citizens and the same also remains continuous reminder for the occupants of judicial chairs.
