“QUEST FOR QUICKER JUSTICE”

In our quest for identifying the bottlenecks in the dispensation of quicker Justice and also further identifying the steps which may be taken for a complete and effectual rectification of the Justice Delivery System, we propose obtaining the views of those into the legal field, from the Bench as also the Bar.

In that context, we have requested Justice S.D. Anand a former Judge of Punjab and Haryana High Court and a former HOD/Judicial Member of the Central Administrative Tribunal, who has more than four decades old association with the Justice Delivery System, to give us his valued views.

Justice S.D. Anand has agreed to interact and to give his take on the posers addressed by us. The outcome of the interaction will be posted on this site from time to time for the benefit of the litigant population.
